HIRE US!

We frequently perform at local British community events and in Pipe Band Gatherings. We also host our own events (Cèilidhs, Concerts, etc.)!!!

However, we are also available for hire and generally perform for a service fee or donations with which we support our activities and expenses.

The band can play at a variety of events making your event a unique and memorable moment. Upon specific requirements we may provide a full band, smaller bands, with or without dancers, or solo pipers for your event, such as:

- Weddings
- St. Patrick's Day pub events

Funerals

- British school events
- Birthdays
- Clan Gatherings
- Corporative events
- Concerts

and the list goes on....

Please leave us your contact details and main particulars of your event (date, time, type of event, venue, etc.) and we will get in touch soon.
